**Report of Principal and School Improvement Council**

The Chester Park Complex serves approximately 1500 students divided into three schools of choice. As part of the complex, Chester Park Elementary School of the Arts serves approximately 587 students in Kindergarten-5th grade who have chosen to participate in arts integrated learning.

The mission of Chester Park Elementary School of the Arts is to engage every child in active individual and collaborative team learning experiences in the context of a comprehensive, standards-based arts integrated curriculum. In order to accomplish this mission, teachers infuse the South Carolina Fine Arts Curriculum Standards into all curricular areas. Fine Arts teachers, in turn, bring core curriculum standards into their classrooms. The school Strategically Mixes Arts and Academics to Reach academic goals as we Teach Students. This "SMARTS" model is incorporated into the vision of the school.

The belief at the School of the Arts is that arts integration builds character, cooperation, responsibility, and respect. The arts engage students in active learning of material and help them to be exposed to content in myriad ways. Arts integration identifies and nurtures each individual student's talents and creativity. It unites students, parents, faculty, and community members. It allows students to make real world connections of the learning taking place.

The School of the Arts has been awarded grants for the funding of arts integration, artists-in-residence, and upgrades to the sound and video equipment in the Complex auditorium.

In addition to the integration of the arts, Chester Park Elementary School of the Arts offers students opportunities to incorporate technology into learning through the use of computer labs. They are given time to have individualized instruction based on MAP scores. All classrooms are equipped with Promethean Boards providing a new medium for teaching and learning. Teachers have been and continue to be trained in the use of these boards for improved delivery of content. Each certified teacher has received an iPad and an HP tablet for instructional use in their classroom this year.

Students at Chester Park Elementary School of the Arts are given special opportunities to be involved in Artist- in-Residence programs featuring: multi-cultural enrichment, mural painting, poetry, music, dance, and theater. These opportunities have provided students in all grade levels with a variety of reinforcements as they relate to the core subject area curricula of South Carolina. The school celebrates its students talents through live performances (both in the school and the community), and achievement awards. The school offers after-school clubs such as art club, running club, dance club, music club, drama, mime club, and rocketry.

Acceleration programs and interventions have been put in place before school, after school, and during the regular school day in Math and Reading for students who are in need of further assistance. These programs have been successful in identifying the need of students and providing extra support.

Thank you for your involvement in our school.

Sincerely,

Anne Stone, Principal

Kristen Fairfax, SIC Chairperson

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>71.1</b>
<b>Overall Grade Conversion</b>	<b>C</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Chester Park Elementary School of the Arts has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
